Women on the move

Challenges faced by the youth (especially girls) on public transportation in Tanzania.

#WomenInTransport
In Tanzania, students especially girls experience harassments and abuses from bus conductors and drivers while using public transport. This picture of a student physically abused by a conductor was taken 10 Years ago and until today nothing has changed.

Women on the move

Solution?

#WomenInTransport
Women on the move

Talking to students on their right to speak up about harassments they incur from bus conductors and bus drivers.
Miss Beatrice from SUMATRA educating students about their rights as passengers.
